1.1 Selectors

Peter Cole, Mark Lewin and Bulla Wood (coordinator Colin Simpkins).

The selectors are required to monitor all aspects of the trials to ensure that the trial is run on a fair and representative basis and if necessary to intervene in exceptional circumstances, where matters are clearly out of control e.g. extreme weather conditions, outside intervention, cheating etc.

1.5 Adverse conditions

All possible steps will be taken to ensure that the trial is held in satisfactory conditions.

If conditions become dangerous during the trial, and for safety reasons, the race is abandoned, a new trial will be scheduled.
