SECTION D – SELECTION POLICIES AND AWARDING OF COLOURS

SELECTION POLICY FOR JUNIOR, U23 AND SENIOR TEAMS FOR WORLD OCEAN RACING CHAMPIONSHIPS

1. SELECTORS, SELECTIONS, PROCEDURE AND CRITERIA

1.1 Selectors

Convenor of selectors - Colin Simpkins.
Selectors - Mark Lewin, Bulla Wood, Peter Cole.

1.2 Selection Procedure

The selection procedure will be simple.
The first relevant number of participants in each category across the line will qualify for the team. The award of national or federation colours will be dependent on standard.

1.3 Team Make up

The national selectors have the option to fill a maximum number of paddlers in the following categories:

- 1.3.1 Junior – 2 Boys
- 1.3.2 Junior – 2 Girls
- 1.3.3 U23 – 2 Men
- 1.3.4 U23 – 2 Women
- 1.3.5 Seniors – 5 Men
- 1.3.6 Seniors – 5 Women

1.4 Filling Team Posts on Performance

The team is to be based purely on performance displayed at the trial. The Team make up in 1.3 are maximum numbers in each category. It will be at the discretion of the selectors to determine whether the standard is high enough in each category to send the maximum number of athletes.

The 2023 World Championships is an “open” event. Any athlete who does not make the national team will still be allowed (and encouraged) to enter. They will just not be awarded national colours.

1.5 Athlete Communication

The selectors will communicate with the Senior, U23 and Juniors prior to their events if there are any concerns after receiving the nominations to ensure that the athletes are aware of the selector’s views and expectations.

1.6 Monitoring

The selectors are required to monitor all aspects of the trials to ensure that the trial is run on a fair and representative basis and if necessary to intervene in exceptional circumstances, where matters are clearly out of control e.g. extreme weather conditions, outside intervention, cheating etc.

1.7 Adverse conditions

In these instances the selectors should cancel the trial immediately and call for a retrial or use the standings at the time of the unforeseen event as the result if this can be fairly construed to be the case.

1.8 Starting Orders and Restarts

All participants come under starters order 10 minutes before the allocated race start time. It is the paddler's responsibility to ensure that they are at the start time when the race starts. The starter, however, has the right to start the race at anytime, once the participants are under starter's orders, when in his sole opinion he can ensure a fair start. The starter may call a false start. Only one false start is allowed per paddler. Any paddler incurring a second false start will be disqualified. The starter and selectors decision on the fairness of the start will be final.

1.9 Team Announcement

The team will be announced as soon after the trial as possible **once the team has been ratified by the CSA Board.**

1.10 Trial
